Stratford High School has the highest suspension and chronic absenteeism rates in the district, with half of the students missing more than 18 days of school and almost a third being suspended. The school also falls in the bottom half for college or career readiness.

English & Math:  
**< 33%** **> 33%**

NA

Data not available. When the percentage of students is below 5%, or above 95%, the state suppresses the data because it could be identifiable for students. We can understand that the percentage of students "on track or mastered" is below 5 percent and therefore unavailable.
