**% Ready Graduate** The state of Tennessee identifies a Ready Graduate as a student who graduated on time and earned a composite ACT score of a 21 or higher, the score at which students are considered career and college ready.

**Chronic Absenteeism** Students missing at least 10% of school days (18 days).

**English & Math: < 35% > 37%** % for English and Math represent the number of students scoring "on track" or "mastered." Schools that fell below the TN state average (35% for English and 37% for Math) are in red and those exceeding the state average are in green.

**N/A** Data not available. When the percentage of students is below 5%, or above 95%, the state suppresses the data because it could be identifiable for students. We can understand that the percentage of students "on track or mastered" is below 5 percent and therefore unavailable.
