DATA SUMMARY

Due to the impact of the COVID-19 pandemic on both the 2019/2020 and 2020/2021 school years, MNPS has seen a significant reduction in the percentage of students scoring "on track" or "mastered" in nearly every school.

Hillwood High School has the second-highest college or career readiness percentage in the district but has a chronic absenteeism rate of nearly 50%. While some of the elementary schools measure at or near the state average in English and Math, both of this cluster's middle schools are well below the state average academically.
