DATA SUMMARY

Due to the impact of the COVID-19 pandemic on both the 2019/2020 and 2020/2021 school years, MNPS has seen a significant reduction in the percentage of students scoring "on track" or "mastered" in nearly every school.

The Hunters Lane Cluster is home to four Priority schools. Although Hunters Lane High School graduates 81% of its students, only 15% meet the state's Ready Graduate standard. More than half of the student population of this cluster is economically disadvantaged.
