## DATA SUMMARY

Due to the impact of the COVID-19 pandemic on both the 2019/2020 and 2020/2021 school years, MNPS has seen a significant reduction in the percentage of students scoring "on track" or "mastered" in nearly every school.

All schools in the Maplewood cluster have fewer than 10% of students demonstrating mastery in both English and Math. Though Maplewood High School shows a graduation rate of 61%, the percentage of high school students considered college or career ready is less than 5%. Maplewood High School is one of three schools in the district with a chronic absenteeism rate above 60%. Almost two-thirds of its students are also economically disadvantaged.
